

Tips for speakers

ABSTRACT

150 words

Please check you have developed (one sentence) all the following points:

1. Context (baseline)
2. Need of your study (what the context is without your study, what could be after it)
3. Goal of the study
4. What you have done
5. Results
6. Conclusion

.PPT

20 minutes time (around 13 slides)

Please avoid:

1. Too long context description
2. Too much text in each slide
3. Long sentences
4. Too many pictures in each slide
5. Self-explanatory slides
6. Graphs and tables too detailed
7. Your corporate logo on each slide

Please include:

1. Your corporate logo on 1st and last page only
2. Summary of the presentation
3. Conclusions
4. Font size 24 points
