

# CHINA ROOM SEMINAR SERIES

Coordinated by **Camilla Forina** and  
**Leonardo Ramondetti**

**Monica Naso** presents and discusses her latest book with the China Room Ph.D. candidates **Sofia Leoni**, **Francesca La Monaca**, and **Xinwen Zhang**.

Monica Naso, Architect and Ph.D., had several professional experiences in Paris and Turin. Her research deals with the interaction between ephemeral spectacles and the production of space in contemporary cities. She takes part in international and interdisciplinary research & design projects, and she was among the curators of the Italian Design Pavilion at the Shenzhen Design Week 2018. She was Head Curator of Exhibition and on-site coordination for the 2019 UABB Shenzhen Biennale of Urbanism\Architecture “Eyes of the City” exhibition.
