## Work experience

Type of business or sector High Education

Occupation or position held

- **Full professor** at Politecnico di Torino, Interuniversity Urban And Regional Studies And Planning Department, area 08 ICAR22, **since 2010**.
- **Associated Professor** at Politecnico di Torino, Casa Città Department, from 2006 to 2010. She teaches **Economic and environmental evaluation**, at Architecture Course.
- **Assistant Professor** at Politecnico di Torino, Casa Città Department from 1998 to 2006. She teaches **Economic evaluation**, at Architecture bachelor course.
- **Assistant Professor** at IUAV - Istituto Universitario di Architettura di Venezia, Venice (Italy), from 1996 to 1998
- **Research Assistant**, Politecnico di Torino, Dipartimento Casa-Città, C.so Mattioli 39, 10125 Torino (ITALY) from 1991 to 1996
- **External staff**, supporting teaching and research, 1989-1991

## Leadership/Management

- **Deputy Rector**, Politecnico di Torino since 19<sup>th</sup> March 2018, and invited member of both Academic Senate and Administrative Committee, [www.polito.it](http://www.polito.it)
- **Head of the Interuniversity Department** of Urban and Regional Studies and Planning, Politecnico & Università degli Studi di Torino (November 2011 – March 2018). See section below
- **President of RUS - the Italian Network of Universities for Sustainable Development** since January 2019, managing sustainability transition of 75 universities, promoted by the Conference of the Italia Rectors CRUI <https://sites.google.com/unive.it/rus/home>
- **Promoter and Member of the Committee Board of RUS** since 2013, <https://sites.google.com/unive.it/rus/home>
- **Coordinator of the Green Team Office** of the Politecnico di Torino since 2015 with the task of planning and managing sustainable campus initiatives and implementation of Agenda 2030 [http://www.campus-sostenibile.polito.it/it/green\\_team](http://www.campus-sostenibile.polito.it/it/green_team)
- **Coordinator of the Honor teaching programme** involving 240 students in a interactive innovative learning environment on problem solving (current),
- **Coordinator of the Circular Economy Platform of Politecnico di Torino** in partnership with *Environment Park*, with the aim of enhancing research and technology transfer activities related to Clean technologies and all related circular economy activities (current)  
[https://poliflash.polito.it/in\\_ateneo/al\\_via\\_la\\_prima\\_piattaforma\\_tematica](https://poliflash.polito.it/in_ateneo/al_via_la_prima_piattaforma_tematica)
- **Scientific Coordinator for the S3+ Lab** “Urban Sustainability & Security laboratory for Social challenges” funded by POLITO & Compagnia San Paolo, [http://www.dist.polito.it/il\\_dipartimento/laboratori/s3\\_lab](http://www.dist.polito.it/il_dipartimento/laboratori/s3_lab).
- **Scientific coordinator of the UNESCO Master** “Management of Cultural projects and World Heritage” at the ITC-ILO Turin School of Development since 2010, <http://www.itcilo.org/masters-programmes/>.
- **Rector delegate for the EIT ICT Labs Italy** for the Politecnico di Torino, Trento (Italy) from 2012 to 2017 involved in monthly meetings with the members of the Consortium. She attended the EIT ICT Open Day a Paris, April 16 2013.
- Member of the **Scientific Board** on Urban and Regional Studies **PhD Course** at Politecnico di Torino PhD School since 2012 - current.
- Member of the **Comitati Territoriali, IREN spa** (current)
- Member of the **Administrative Committee of SITI** Research Center, Politecnico and Compagnia San Paolo (2015-2018);
- Member of the **Administrative Committee** of the Superior School of the Università degli Studi di Torino (UNITO) until 2017.
- Member of the **Scientific/Technical Committee of CSI** – Piemonte Region from 2012 to 2018;
- Visiting professor at the **University of Cambridge**, as part of the POLITOWARD project, June- Set 2015.
- Visiting Professor at **IMT - Institute for Advanced Studies**, Lucca, Italy until 2014.
- Visiting Professor at the University of Dundee, School of Architecture and Planning (Scotland) as part of the Erasmus teaching exchange programme about the evaluation of the sustainability at the urban level (March 2014, 2011 and 2010).
- Member of the G8 University Council supporting the development of the Global University Summits, **G8 University Summit, Torino 2009** at international level. She attended all Summits in France (2010), Canada (2011), and UK (2013).

**Member of the Editorial Board** of all the following journals:

- Engineering, Construction and Architectural Management Journal (ECAM)
- Intelligent Building International Journal (Earthscan)
- Smart and Sustainable Built Environment (Emerald)
- International Journal of Sustainability in Higher Education (Emerald)
- Valori e Valutazioni (Genio civile)
- Territori (Compositori)

**Publications**

In summary, she is (co-)author of 233 scientific publications which are summarized in the table below

<b>Journal articles</b>	<b>81</b>
<b>Books (author)</b>	<b>8</b>
<b>Book editors</b>	<b>8</b>
<b>Book Chapters</b>	<b>64</b>
<b>Proceedings</b>	<b>72</b>
<b>Others (reports, newspaper articles, etc.)</b>	<b>6</b>
<b>Total</b>	<b>239</b>

All her publications are available at: <https://iris.polito.it/> See ANNEX 1

In terms of impact of the results of the research activity, according to Scopus as of March 1, 2020, she received 699 citations, with an Hirsch index of **13**. The number of citations by Google Scholar increase to 3402 with Hirsch index of **29**.

**Awards**

- 2019 Paper awarded "Envisioning green solutions for reducing the ecological footprint of a university campus", *International Journal of Sustainability in Higher Education*,
- 2018 FIDAPA BPW Italy Excellence Woman for her career achievements;
- 2018 award Green Team at the Forum PA, Public Administration, Rome
- 2018 Excellent Department DIST by MIUR, with an expectation of 8M
- 2018 Paper awarded at 2nd International Symposium for Sustainable Campuses, December 11th 2018 in Florence
- 2016 SIEBEL Institute at Washington, February 2017;
- 2016 EMERALD Literati Network Awards for Highly Commended Paper (Title of the paper: "Critical issues in spatial distribution of public housing estates and their implications on urban renewal in Hong Kong");
- 2014 "SET Plan Conference " MILESECURE poster;
- 2012 carrer achievements award by the Alumni of Salford University of the Great Manchester;
- 2010 Paper awarded by the CSAAR - Center for the Study of Architecture in Arab Region (JOR);
- 2009 Paper awarded on "Intangibles – Enhancing Access To Cities' Cultural Heritage Through Interpretation, International Journal Of Culture, Tourism And Hospitality Research, Emerald Group Publishing Limited, Vol. 7, n. 1,2013;
- 1996 award young research Premio Grittani, by CESET research center

Main activities and responsibilities

March 2018 – today

- She acts on behalf of the Rector when he is absent or unavailable, and she is invited member of both Academic Senate and Administrative Committee, [www.polito.it](http://www.polito.it) She is member of both Research and technology transfer Committee and Education Committee. She manages all Sustainability activities of the university as Green Team coordinator. Sustainability reports are available at <http://www.campus-sostenibile.polito.it/>
- As President of RUS - The Italian University Network for Sustainable Development, she manages all working groups (WG) and the coordinator committee. RUS is the first experience of coordination and sharing between all Italian universities committed to the topic of environmental sustainability and social responsibility. The main goal of RUS is to spread the culture of sustainability, both within and outside the Universities, sharing skills and experiences, with the aim of increasing the positive impact in terms of environmental, ethical, social and economic actions which are currently implemented by each university, furthering the recognisability and the value of the Italian experience on an International level. Currently 75 universities are member and about 400 staff members are collaborating and sharing best practice and knowledge in the working groups. These WG are: Education, Mobility, Energy, Climate change, Food, Waste and resources, Social Justice and inclusion.

November 2011 – March 2018

- Management of all activities at **Interuniversity Department**, involving high education, research and third mission activities of University. She has been involved in a number of boards for policy advice and guidance of the whole Politecnico di Torino, including: Academic Senate; Strategic Planning group and Innovation & Education group. During her direction, the department achieved **first position in research national evaluation exercise** (2011-2014) and first top ranking in the scientific area 08-Architecture and civil engineering as **Excellence Dept** (2018-2022). She has been successful in achieving for two times the **first ranking for DIST in the VQR research evaluation exercise** (2009-2011 and 2011-2014). Currently, she has achieved the first top ranking in the scientific area 08-Architecture and civil engineering as **Excellent Department**, (2018-2022) [http://www.dist.polito.it/focus/dist\\_dipartimento\\_di\\_eccellenza](http://www.dist.polito.it/focus/dist_dipartimento_di_eccellenza).

She was scientific Coordinator of the International Summer School on Sustainable University Campuses, Turin, 14-18 September 2015.

She was Scientific Director for the International Summer School about the Sustainable Development of the Urban territory and Smart Cities planning, "TO-US Summer School on Urban Studies for Smart Cities", in collaboration with the City of Torino and the Internationalization Office of the Politecnico di Torino, <http://www.to-us.polito.it/>, 2-6 September 2013.

She was co-chair of the International Ph.D. Intensive School on "Ageing Society: Issues, Theories and Practices for an Active Ageing", 24-29 September 2012 [http://www.uep.corep.it/ss\\_ageing\\_society/iscrizione.html](http://www.uep.corep.it/ss_ageing_society/iscrizione.html)

Main activities and responsibilities

She has provided several distinguished **lectures and keynotes addressed** on the occasion of remarkable international conferences. The list includes:

- The RSA Research Network on Smart City-Regional Governance for Sustainability, RISUD Annual International Symposium 2016 Smart City-Regional Governance for Sustainability, 6-7 October 2016 in Dresden, Germany.
- The 2nd UNI-SET Clustering Event (ECE) will take place on 26-28 September 2016
- Smart Cities (RAIS 2016) and the RISUD TOAF Summer School 2016 Smart Cities (RITSS 2016), 19-25 August 2016;
- New Metropolitan Perspectives International Symposium Reggio Calabria, Maggio 2016;
- Sustainable Urbanism. New Directions, Doha, Qatar, 16 March 2016 [Http://www.sustainableurbanismqatar.com](http://www.sustainableurbanismqatar.com);
- Innovative and socio-ecological urban dynamics", Open Days, European Commission, Brussels, 13 October 2015;
- SBE16 "Towards post-carbon cities", Turin, 18-19 February 2016 (chair)
- International Seminar "*The Human Factor in Energy Transition and Security Towards 2050*", Brussels, 15 December (chair)
- International seminar on *Future Challenge in Sustainable urban development*, Chelsea, UK 17-18 August 2015
- 3<sup>rd</sup> International Symposium on Energy Challenges and Mechanics (ECM3) - towards a big picture, Aberdeen, 7-9 July 2015
- Second International Conference on Sustainable Urbanization (ICSU 2015), Hong Kong, 7-9 January 2015
- International Symposium on *Creation of Sustainable Campuses*, 2012 Hokkaido Sustainability Weeks, at the Conference Hall, Hokkaido University, Sapporo, Japan, 29 October 2012
- Conference of University Presidents and the Conference of the Grandes Ecoles, on *Eco-campuses, the adaptation of training to the sustainable development and the European institutions of higher education social responsibility*, (official presentation), Paris, 19 - 20 January 2012
- *Women for Europe – The Role of Inner Wheel, Towards Europe 2020*, Torino, Politecnico di Torino, 12-13 November 2011
- International Conference SB11 Finland, [www.sb11.org](http://www.sb11.org), 18-21 October 2011
- Intensive International Graduate Course on Ageing Society and Sustainable Development" (co-chair) in connection with the 2011 International Symposium on Population Ageing and Sustainable Development – New Approaches and Paradigm, Hokkaido University Sapporo, Sustainability week 2011, 4 November 2011
- *The shape of things to come*. Three strands of sustainable development: business, governance, and energy, 3rd Conference, London Metropolitan University, 8 – 9 September 2011
- *Economic value of cultural heritage (EVOCH)*, International Seminar, Hanasaari, Helsinki, Finland, 24-25 August 2011
- *Creating Starter cities 2011, Regional innovation systems, e-service developments, and the emerging e-government agenda*, (Agenda, Day 2), The Royal Society of Edinburgh, George Street, Edinburgh, 1 July 2011
- *Economics of Uniqueness. Cultural Heritage Assets and Historic Cities as Public Goods*, The World Bank, Washington, DC (in videoconference), 2-3 May 2011
- Joint Programme Urban Europe Programme Strategic Research Agenda (SRA) Workshop, Amsterdam, 2-3 February 2011

At European level, she has been coordinating or partnering in several Pan-European Projects related to Energy Transition and Smart cities, including:

- **SCORE** - *Supporting Consumer Ownership in Renewable Energies*, H2020 (2018-20)
- **SHAPE-ENERGY** - *Social Sciences and Humanities for Advancing Policy in European Energy* (SHAPE-ENERGY) H2020 project LCE32 (2016-18);
- **RURITAGE** - *Rural regeneration through systemic heritage-led strategies*, H2020 (2018-2020)
- **RESCULT** - *Increasing Resilience of Cultural heritage: a supporting decision tool for the safeguarding of cultural assets* ECHO/SUB/2016/742499/
- **VII FR: POCACITO** - *Post-carbon cities in Europe: A long-term outlook* (January 2014 - December 2016)
- **VII FR: DIMMER** - *District Information Modeling and Management for Energy Reduction* - ICT Smartcities 2013 - FP7-SMARTCITIES-2013 - Small or medium-scale focused research project (STREP) (October 2013 – September 2016)
- **VII FR: MILESECURE-2050** - *Multidimensional Impact of the Low-carbon European Strategy on Energy Security, and Socio-Economic Dimension up to 2050 perspective* (January 2013 - December 2015) (**Coordinator**)
- **EIT – European Institute of Innovation and Technology**. KIC InnoEnergy/ EIT ICT Lab. Action Line for Proposed Activity: SES Smart Energy Systems. Action Line Leader: Sutor A. | Siemens | Siemens AG (January 2014 - December 2014)
- **VII FR: UNI-metrics** - *Value metrics and policies for a Sustainable University campus*, Marie Curie project (January 2012 - December 2013) (**Coordinator**)

At national level, she has coordinated.

- the educational project of the **Cluster EEB - Zero Carbon Urban District, Smart Cities & Communities Programme** launched by the Ministry of Scientific Research to promote the Innovation and Research at the National level, with the following project linked to the Sustainable Urban Districts: in partnership with Telecom Italia, STMicroelectronics, Selex Elsag, Finmeccanica Group Real Estate, Enel Distribuzione S.p.A., Enel Ingegneria e Ricerca S.p.A. (01/05/2013 - 36 months)
- **PLANET IDEA** Elaborazione metodo di valutazione multicriteria dei progetti (**2019**)
- **City of Turin** in the Interreg **CESBA MED: SUSTAINABLE CITIES** project
- **City of Turin** in the **MOLOC** - “Low Carbon Urban Morphologies”, Interreg Europe 2014-2020,
- **INAPP** Nuove Competenze per la Quarta Rivoluzione Industriale: un laboratorio per la competitività del “sistema imprese” (2019-20), Politecnico di Torino | INAPP-Istituto Nazionale per l’Analisi delle Politiche Pubbliche.
- “**POLITOWARD**” project, funded by Compagnia di San Paolo, , which aimed at fostering international academic collaboration on the theme of Sustainable university campuses, in cooperation with the University of Cambridge (2015 grant).

At International level, she is in charge of:

- the International Consultant For Baseline Certification, Monitoring, Impact Evaluation And Sistematization Project PLATIP-PEMBA: Integrated and Participatory Territorial Planning, Co-financed by the European Union, AVSI.
- the awarded project named **URBE** - *Understanding the relations between Urban form and energy consumption through BEhavioral patterns*, with Senseable City Lab MIT, SIEBEL Institute (2016 grants).

Occupation or position held	Politecnico di Torino, Dipartimento Casa-Città, C.so Massimo D'Azeglio 42, 10125 Torino, (ITALY).
Main activities and responsibilities	High Education
Dates	2006 - 2010
Occupation or position held	Associated Professor
Main activities and responsibilities	<p>She has served as lead partner in several Pan-European Projects on cultural heritage, urban regeneration and Information Technologies, including:</p> <ul style="list-style-type: none"> <li>➤ Indicators Study for Smart Cities, University Napier Edinburgh (UK), SmartCities Network Interreg North C (2010-2011)</li> <li>➤ VII FR: POLLUX Project - Distributed real time Embedded Systems Platform for next Generation Electric Vehicles (2010 -2011)</li> <li>➤ Interreg III C: S.U.R.Pr.I.S.E. - Sustainable Urban Renewal Programs In Southern Europe, in collaboration with Territorial Department (2006 – 2007)</li> <li>➤ VII FR: PERFECTION - Performance Indicators for Health, Comfort and Safety of the Indoor Environment (FP7-ENV-2007-1- 212998), SiTI Research Institute of the Politecnico di Torino</li> <li>➤ VI FR: the ISAAC – Integrated e-Services for Advanced Access to heritage in Cultural Tourist Destinations project (FP6-2005-IST-5)</li> </ul> <p>She was also member of several International Scientific Committees and she has participated as a guest speaker and panelist in a number of international workshops and seminars on sustainable development, intelligent cities, e-governance, cultural heritage in digital society, strategic environmental assessment and social reporting, including:</p> <ul style="list-style-type: none"> <li>➤ Scientific Committee of the conference SB10 Finland, <a href="http://www.sb10.fi">www.sb10.fi</a>, 22-24 September 2010</li> <li>➤ Scientific Committee of the international conference on eParticipation (ePart 2010), <a href="http://www.demo-net.org/epart/">http://www.demo-net.org/epart/</a>, 29 August - 2 September 2010</li> <li>➤ Scientific Committee of the International Conference on Sustainable Architecture and Urban development, The Center for the Study of Architecture in the Arab Region, Amman-Jordan, <a href="http://www.csaar-center.org/conference">http://www.csaar-center.org/conference</a>, 16-17 July 2010</li> <li>➤ Scientific Committee of the conference "Bioedilizia Italia", Centro Congressi, Torino, <a href="http://www.regione.piemonte.it/energia">www.regione.piemonte.it/energia</a>, 7-9 October 2009</li> <li>➤ Scientific Committee of the International conference Urban Sustainability and its Assessment, 22-24 April 2009, Loughborough, UK. <a href="http://sue-mot.org/conference/">http://sue-mot.org/conference/</a></li> <li>➤ Scientific Committee of the conference UIA, Transmitting sustainable cities, Congresso Mondiale degli Architetti, Torino, Italy, 29 June -3 July 2008</li> <li>➤ Scientific Committee of the International Conference Whole Life Sustainability and its Assessment, Glasgow, Scotland, 25-27 June 2007</li> <li>➤ Scientific Committee of the conference Bioedilizia Italia, Torino, Italy, 5-8 June 2007</li> <li>➤ Scientific Committee of the 2nd CIB TG55 International Conference on Smart and Sustainable Built Environments, Shanghai, China, 15-17 November 2006</li> <li>➤ Coordinator of “Decisions for sustainable development” session in the 21st European Conference EURO 2006, Reykjavik, Island, <a href="http://www.euro2006.org/">http://www.euro2006.org/</a>, 2-3 July 2006</li> <li>➤ Scientific Committee of the International Conference, The urgent need for sustainability in the built environment, Torino, Italy, 22-23 June 2006</li> </ul>

Since 2009 she has been involved as member of the Sous-sherpa Unit (she drafted the “Declaration on Education for a Sustainable and Responsible Development” in 2009) and as member of the G8 University Council supporting the development of the Global University Summits, **G8 University Summit, Torino 2009** (representing all University organizations throughout the world) at international level. She attended all **Summits in France (2010), Canada (2011), and UK (2013)**.

At national level, she has supported the development of a multidisciplinary study on the Strategic Environmental Evaluation for the River Po Basin Authority (coordinated by COREP of Politecnico di Torino). In addition, she has supported the development of the **Strategic Plan of both the City of Trento and Modena**.

She has taken part in the following PRIN project funded by the Italian Ministry of Research: “Le infrastrutture di trasporto portuali, su ferro e su strada nel Nord Ovest: logistica, mobilità, valutazione degli investimenti e degli impatti ambientali e territoriali”, 2006 (Scientific Coordinator: ZORZI Ferruccio).

She has provided a public lecture on progress in sustainable development at the University of Cambridge in a distinguished lecturer series which has included Al Gore, Baroness Young, Jonathon Porritt and others.

She has also been invited as key speaker and panelist to the International Symposium on Industry/University cooperation, Sustainability Week 2009, Hokkaido, Japan.

She is author of the book ‘Evaluating Sustainable Development’ which is being issued to the Universities of the G8 countries at their summit in Torino in May 2009, encouraging Sustainable and Responsible Development through Education. Finally, she was member of the working group which has developed the Strategic Plans and the Social Reporting of the Politecnico di Torino.

Name and address of employer	Politecnico di Torino, Dipartimento Casa-Città, C.so Mattioli 39, 10125 Torino (ITALY). C.so Massimo D’Azeglio 42, 10125 Torino, (ITALY)
Type of business or sector	High Education
Dates	1998-2005
Occupation or position held	Assistant Professor
Main activities and responsibilities	At European level, she has coordinated or served as lead partner in several Pan-European Projects on urban sustainability and Information Technologies including: <ul style="list-style-type: none"> <li>➤ VI FR: IP INTELCITIES – Intelligent cities (N°: IST.2002-507860) (2004-2005)</li> <li>➤ V FR: Roadmap INTELCITY “Towards Intelligent Sustainable Cities” (N°: IST-2001-37373) (2002-2003)</li> <li>➤ IV FR: Network BEQUEST – Built Environment QUality Evaluation for Sustainability through Time, Network (EU- ENV 4 CT/97-607) (1994-1998)</li> </ul> <p>She has co-organized several international conferences, including “Cities and Sustainability. Sustaining our cultural heritage”, Politecnico di Torino, University of Salford, University of Morotuwa, Sri Lanka, 22-25 February 2000.</p>

At national level, she has been involved in a number of studies for Public bodies and municipalities, in the field of complex urban programs, sustainable projects evaluation, strategic environmental assessment, strategic plans, social reporting. In addition she took part in the following PRIN projects:

- “Effetti degli interventi di trasformazione urbana sui sistemi economici locali e sui mercati immobiliari”, 2004 (Scientific Coordinator: Mollica Edoardo)
- “ Effetti degli interventi di trasformazione urbana sui sistemi economici locali e sui mercati immobiliari”, 2003 (Scientific Coordinator: Mollica Edoardo)
- “ La selezione dei progetti e il calcolo dei costi nella riqualificazione urbana”, Politecnico di Torino, 2001 (Scientific Coordinator: Stefano Stanghellini)
- “Mercato immobiliare, innovazione e gestione dei catasti urbani”, Politecnico di Torino (1999-2000) (Scientific Coordinator: Riccardo Roscelli).

Finally, she was member of the Italian Committee of the International Conference ERES, Milano, 2-6 June 2004.

Name and address of employer	IUAV - Istituto Universitario di Architettura di Venezia, Venice (Italy).
Type of business or sector	High Education
Dates	1996 – 1998
Occupation or position held	Assistant professor
Main activities and responsibilities	<p>She has coordinated the task group in the British Council – MURST/C.R.U study Sustainable Urban Regeneration (1996/97).</p> <p>She has been involved in a number of studies for Public bodies, including the Ministry of Public Work in Rome.</p> <p>She was member of the Scientific Committee of the CIB World Conference, Symposium D, Managing Sustainability: Endurance through change, Gavle, Sweden, June 1998.</p> <p>She is author and editor of national and international publications including the proceedings of the International conference on Evaluation in the Built Environment for Sustainability, by Chapman &amp; Hall, London (UK).</p>
Name and address of employer	Politecnico di Torino, Dipartimento Casa-Città, C.so Mattioli 39, 10125 Torino (ITALY)
Type of business or sector	High Education
Dates	1991 – 1996
Occupation or position held	Research Assistant – internal technical staff in laboratories
Main activities and responsibilities	<p>She has participated in several studies funded by Italian Scientific Research Ministry in the field of project evaluation, land register and real estate market.</p> <p>She is also member of the following:</p> <ul style="list-style-type: none"> <li>➤ Scientific Committee of the International Conference, Environmental Impact Evaluation of Buildings and Cities for Sustainability, Politecnico di Torino, Università degli Studi di Firenze, University of Salford, Firenze, 13-15 September 1995</li> <li>➤ Scientific Committee of the National Conferences on: “Sanità domani: progetti, idee, utopie per la rianimazione di domani”, Torino, 5-7 November 1992 and 11-12 May 1995</li> <li>➤ Working group of the International Conference on Marketing Urbano, Torino, 18-20 June 1992.</li> </ul> <p>She was member of the Academic Senate of Politecnico di Torino.</p>

Name and address of employer	Politecnico di Torino, C.so Mattioli 39, 10125 Torino (ITALY)
Type of business or sector	High Education
Dates	1989 – 1991
Occupation or position held	External research staff
Main activities and responsibilities	Participation to a number of studies, funded by CNR, CER , Regione Piemonte. Participation as expert of the Environmental Impact Evaluation for waste-disposal to a number of Conferenze dei servizi, for the municipalities of Comune di Rondissone and Comune di Torrazza P.te. Participation to the development of the Master Plan of Comunità Montana of Val Borbera e Spinti.
Name and address of employer	Private and public
Type of business or sector	High Education

## Education and training

Dates	1994-1999
Title of qualification awarded	<b>PhD</b>
Principal subjects/occupational skills covered	Development of a research project on “Understanding and evaluating sustainable development in planning and design”
Name and type of organisation providing education and training	Research <i>Institute of Business and Informatics</i> , at Salford University of the Great Manchester (UK)
Dates	1989-1990
Title of qualification awarded	MSc in Urban Planning and Real Estate Market
Principal subjects/occupational skills covered	Final dissertation on the re-use of ex-industrial areas by using multicriteria evaluation methods.
Name and type of organisation providing education and training	COREP of Politecnico di Torino (Italy)
Dates	1982-1988
Title of qualification awarded	Bachelor in Planning and Architecture
Principal subjects/occupational skills covered	Final dissertation on the Evaluation of plans and projects by using Analytic Hierarchy Process
Name and type of organisation providing education and training	Politecnico di Torino (Italy)
