OPEN GEOSPATIAL DATA

A convivial **community event** to learn more about **open geospatial data** and **volunteer mapping**.

OpenStreetMap

If you've never gathered map data for **OpenStreetMap** before, it's a great way to learn how.

STUDENTS

The mapping party is **open to all PoliTO students (limited to the first 50 people)**. Both newcomers and mapping experts are welcome!

STAY TUNED FOR FUTURE EVENTS!

Organizers:
Andrea Ajmar | DIST
Paolo Dabove | DIATI
Fabio Giulio Tonolo | DAD

In cooperation with:
Francesco Fiermonte | DIST and the Geomatics Area at Politecnico di Torino
