

# CHINA ROOM SEMINAR SERIES

Coordinated by **Camilla Forina** and  
**Leonardo Ramondetti**

**Lidia Preti** (XXXVI cycle, Joint Ph.D. program between Politecnico di Torino and Tsinghua University) discusses one specific aspect of her current doctoral research. The seminar will focus on the involvement of architects and academic institutions in rural revitalization practices in China over the past two decades. Through the presentation of the rural revitalization policy framework and the analysis of architectural projects undertaken in Chinese rural areas over the past two decades, the seminar will also emphasize the quantitative methodological aspect of the research.

The China Room PhD student **Dingran Chen** (DASP, XXXVIII cycle) and **Francesca Governa** will participate as discussants.
