

# "CIRCULAR URBAN DESIGN CHARRETTE: DESIGNING A MID-RISE PRECINCT THROUGH CIRCULAR PRINCIPLES"

**16 June 2025**  
**09:00-13:00**

## WORKSHOP

Room Astengo, Castello  
del Valentino, Politecnico  
di Torino

This design charrette aims to test and refine the CUD strategies by collaboratively exploring their application in mid-rise housing typologies within the respecting local contexts.

### Facilitators:

- **Sevgim Pekdemir (PhD Candidate)** – Design Charrette Co-Facilitator: Responsible for leading the session, guiding discussions, assisting with workshop activities, and engaging participants.
- **Prof. Mirko Guaralda** – Senior Advisors: Provide expert insights, supervise the workshop, and offer academic guidance.

Opening: **Prof. Nadia Caruso**

Introduction: **Prof. Patrizia Lombardi**

Event registration (deadline 13rd June): <https://forms.gle/PsCofXGwL8UstDed8>
