The lecture is part of the Ph.D. Course "Epistemology and Methodology in Planning Research" by proff. Antonio di Campli and Camillo Boano, DIST-PoliTO

Ph.D. Programme in Urban and Regional Development

The lecture will explore the relation between literary fiction, territorial images and artistic practice surrounding the recently published book *Immaginare un'altra terra Ecologie letterarie e visive della pampa tecnonaturale argentina* (Letteraventidue 2026).

Leandro Cappetto is an architect with a master's degree in American aesthetics and is a doctoral student in architecture at the Universidad Politécnica de Madrid. His work lies at the intersection of research and critical practice, at the crossroads of art, architecture, and aesthetics. He is a member of the collective *La Escuela Nunca y los otros Futuros* and a professor in the Master's Program in Socio-Spatial Practices at UDLA, Chile. His first book: *Imaginar otra tierra. Geoestéticas Pampeanas* (Bartlebooth, 2025), has been recently translated into Italian for Letteravendidue edizioni.
